Accessing MS Azure on a Mac
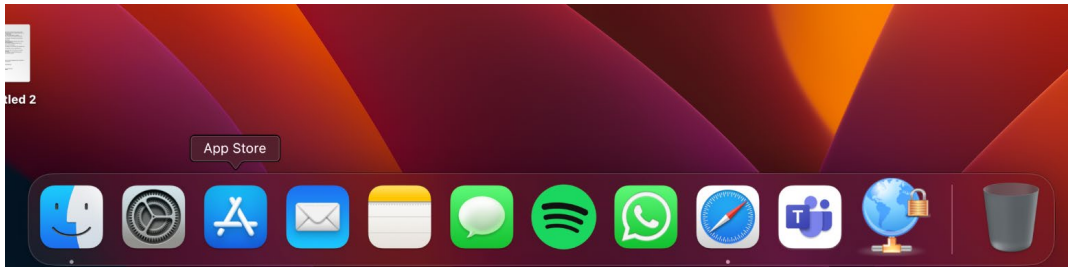

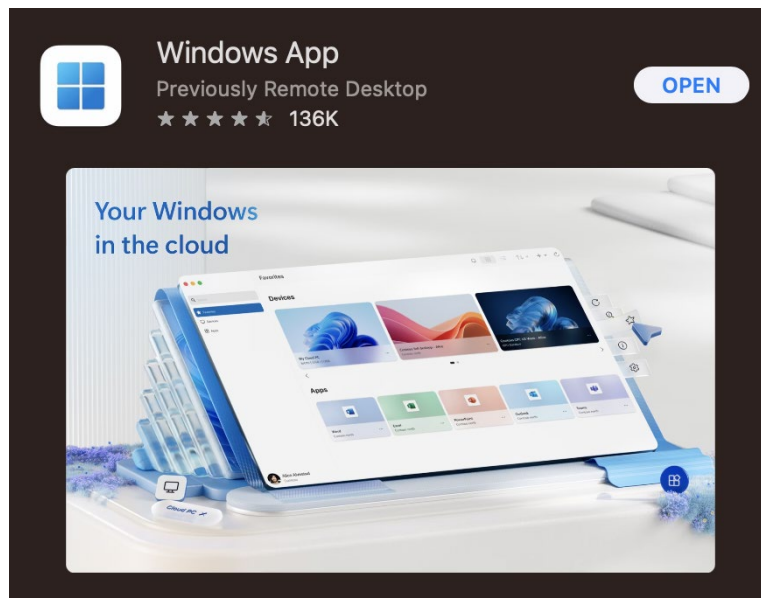

These instructions were created using macOS Ventura 13.7.6

1. Open the App Store

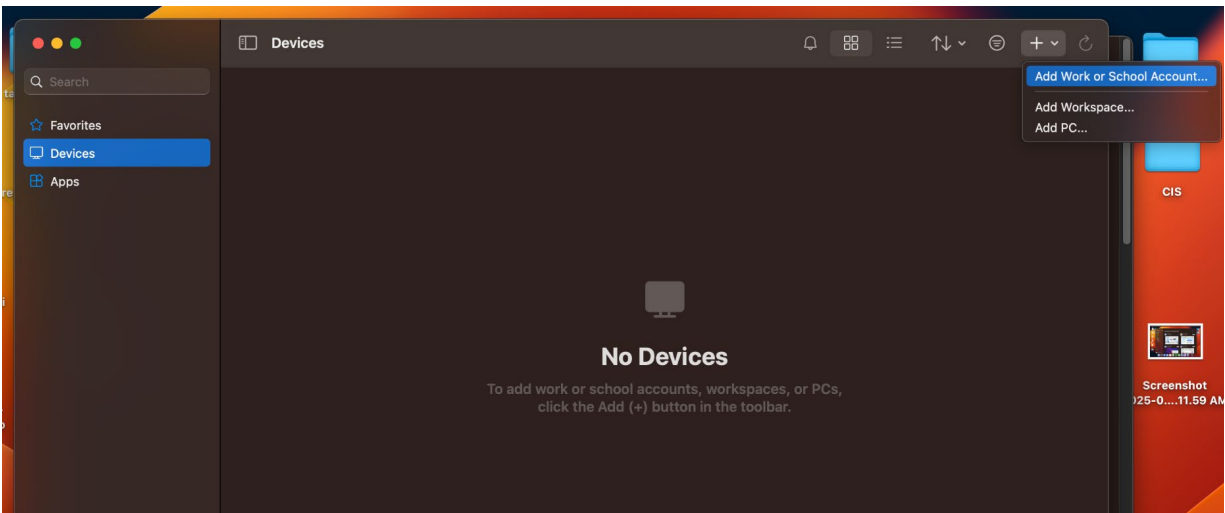

2. Search for "Windows App"

Download the app shown in the photo.
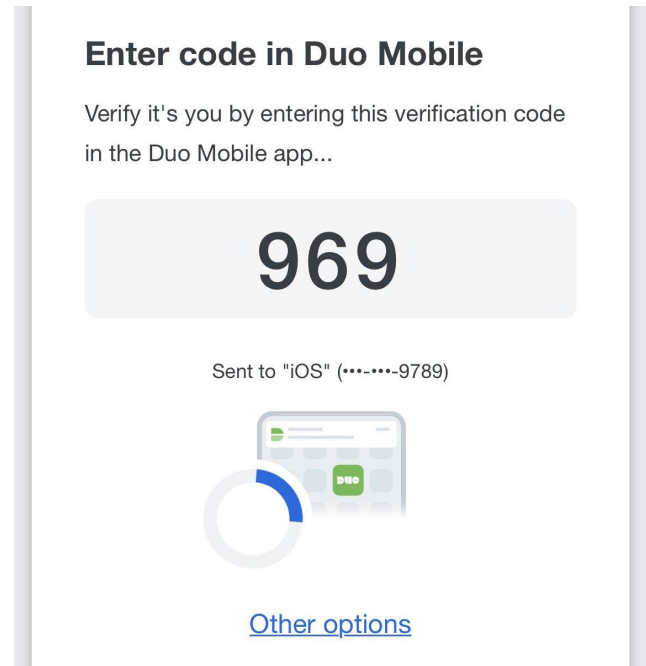

3. Open the app and add your UofL account

Top-right corner, click the + icon and select "Add Work or School Account"

4. Type your UofL email (ex. userID01@louisville.edu) in the "Email or phone" field and click next.

5. Type your UofL password and click **Sign In**.

6. Complete the Two-factor Authentication.

Enter code in Duo Mobile

Verify it's you by entering this verification code in the Duo Mobile app...

969

Sent to "iOS" (•••-•••-9789)

[Other options](#)

If a message appears asking you to update Chrome, select the option "skip for now".

7. Open the message on your phone from Duo Mobile

Enter the code displayed on the computer into the app and click "Verify".

8. Double click on "COB Azure Environment"
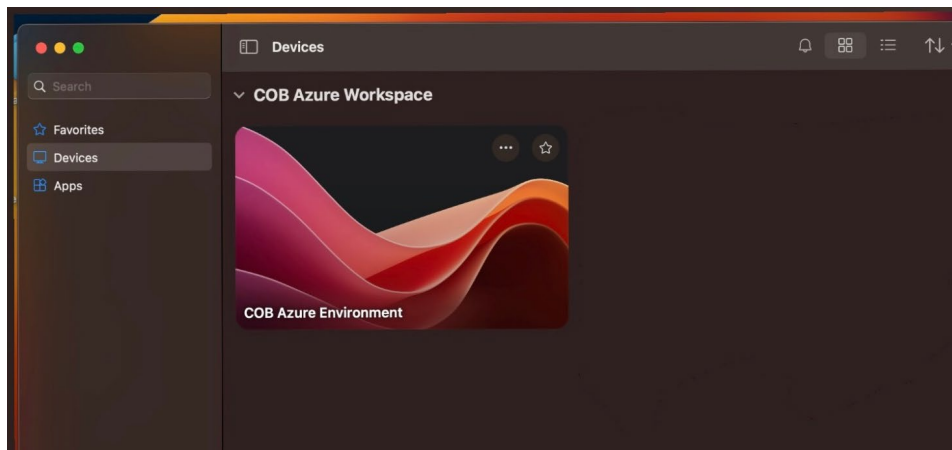

9. Fill in your UofL email address (userID@louisville.edu) and UofL password.
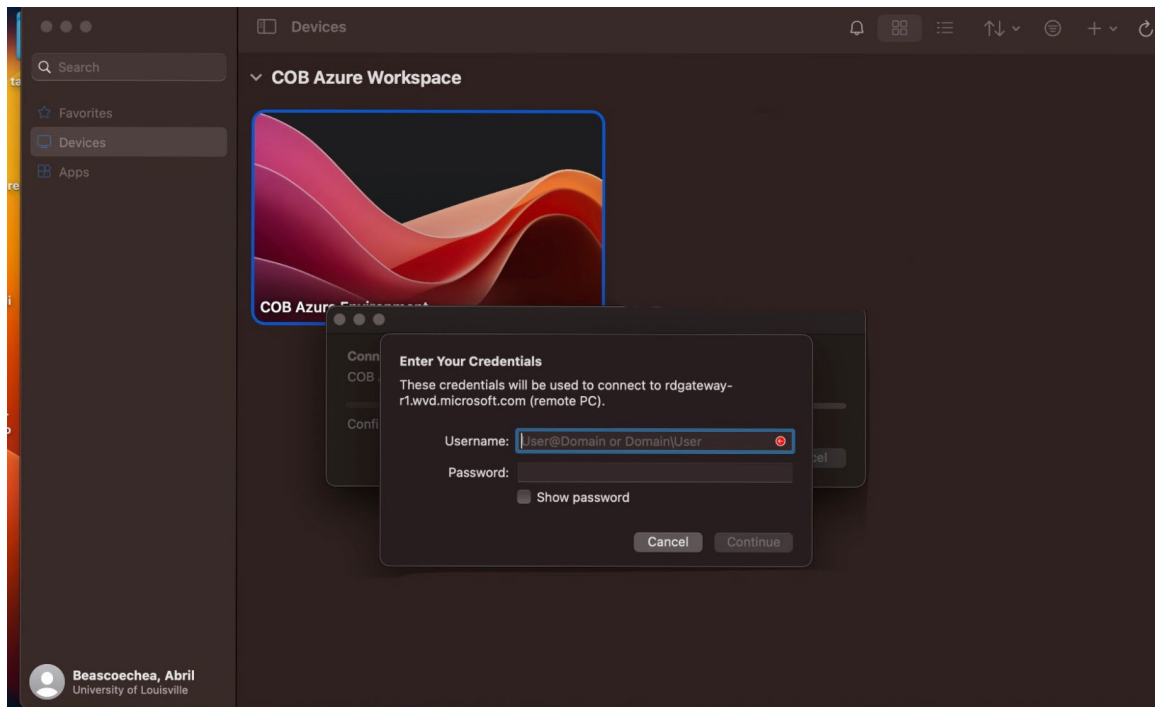

10. Click on the Windows icon located in the center of the taskbar (at the bottom) to view all available apps.
